SUMMARY

Motivated aspiring software developer with a mathematics background and hands-on experience creating web, desktop, and mobile applications. Familiar with HTML, CSS, JavaScript (basic), and debugging practices. Skilled in creative problem-solving, with additional experience in graphic and video editing. Strong communicator and quick learner, eager to contribute to a software development team and grow into a professional developer role.

EXPERIENCE

Freelance Developer

Apr 2023 – Sep 2024

- Developed a web crawler to automate PDF processing, reducing manual workflows from hours to minutes.
- Designed, built, and deployed custom desktop and Android applications, ensuring user-friendly interfaces and robust functionality.
- Worked closely with clients to define requirements, timelines, and deliverables, balancing technical feasibility with client expectations.
- Oversaw the full project lifecycle, from planning and development to testing and deployment.

Sales Assistant – Tesco

Apr 2021 – Apr 2023

- Delivered high-quality customer service and supported smooth store operations.
- Coordinated night shift deliveries and ensured shelves were stocked to meet daily demand.
- Operated tills with accuracy, ensuring efficient transactions and positive customer interactions.
- Set up promotional displays to increase product visibility and drive sales engagement.

Furniture Team Leader – Dunelm

Jun 2017 – Sep 2018

- Supervised stock rotation and maintained accurate inventory records.
- Organised warehouse operations and coordinated deliveries.

PROJECTS

YouTube Documentaries

Demo Link

Produced long-form video documentaries, developing skills in research, scripting, and digital storytelling. Gained practical experience in DaVinci Resolve and Photoshop, managing the full creative process from planning to publication. Demonstrated ability to self-learn complex software tools.

Competitive Esports Analysis

Demo Link

Scouted and analysed opponent teams for Tier 2 organisation **Los Ratones**, producing detailed reports in Google Slides/Sheets. Created resources to break down team strategies and player tendencies, supporting tactical decisions. Contributed to winning **EMEA Masters (x2)** and **NLC (x2)**. Applied analytical skills transferable to software problem-solving.

EDUCATION

2018 – 2021	Newcastle University	
	BSc Mathematics	2:2
2014 – 2016	Burgate School and Sixth Form	
	A-Levels	Mathematics (A), Physics (A), Chemistry (B)
2009 – 2014	St Joseph's Catholic School Salisbury	
	GCSEs	1 A*, 4 As, 3 Bs, 2 Cs (including English and Maths)

SKILLS

Technical	HTML, CSS, JavaScript (basic), Git (version control), debugging, software testing, DaVinci Resolve, Photoshop
Creative	Storytelling, Scripting, Visual design, Video production (short/long-form)
Problem-Solving	Analytical thinking, logical reasoning, adaptability to new technologies
Communication	Team collaboration, customer service, clear documentation and reporting
